Ongoing Contributor (hereafter "You") agree that the following additional terms and conditions shall apply to all Ongoing Contributions made after execution of this Agreement. A Contribution is created by one or more "Authors".

A "Contribution" is defined as all source code and related material delivered by You to IBM for incorporation into the "node-ibm_db" Open Source Project and accepted by IBM, the "node-ibm_db" Open Source Project "Patent Rights" mean patent claims licensable by You which are necessarily infringed by the use or distribution of the Contribution alone or when combined with the "node-ibm_db" project code and/or related materials.

Authors. You, the Contributor, are providing IBM with this Author form, listing one or more Authors. You agree to ensure that all of these Authors agree to adhere to the terms of the associated Joint Copyright Assignment by Ongoing Contributor Agreement. You may obtain Contributions from these Authors, and such Contributions may be aggregated into a Contribution that You contribute. IBM may grant one or more of these Authors commit privilege. Any code incorporated into the "node-ibm_db" Driver source code by one of your committer Authors will be counted as part of Your Contribution under this agreement.

List of Authors to be added to the Joint Copyright Assignment by Ongoing Contributor:

Name	Email Address	Committer ID (or N/A)	Employed by You the Contributor? (Yes/No or N/A)*

* The question about employment applies if You are an entity (e.g., corporation or university).

If any of the Authors are employed by a university (or are a student thereof), corporation or other entity, please confirm that those Authors have been given permission by the university, corporation or other entity to assign joint copyright rights to the Contribution, if applicable.
